

HEALING POWER OF PLAY

TRAINING

CALLING ALL CHILDREN'S PROFESSIONALS

Are you noticing the increasing needs of children in your setting
and struggling to understand what's happening for them?

Are your staff feeling overwhelmed and drained?

You are not alone...

We can help with our new Healing Power of Play Training.

Waymaker sessions help professionals in three ways:

1. Train professionals to **SUPPORT CHILDREN** through play
2. Train professionals to **SUPPORT PARENTS** through play
3. Offer professionals **SUPPORT IN THEIR WELL-BEING** through play

Created by professional play therapist Eileen Russell. Eileen has 17 years of experience working with children and parents in some of the most deprived areas throughout Northern Ireland.

"We want to empower professionals working with children to see the world through their eyes, understanding difficult behaviour and how to respond using play."

Eileen Russell

This training was awarded silver in innovation from Invest NI.
